

Matheus Vieira Domingues

Brazilian, born on 04.december.1995
Capitão Romualdo de Barros street, 488
Florianópolis-SC, 88040-600

+55 62 98172-0142 • matheus.domingues@labmetro.ufsc.br

MAIN POINTS

- Experience in team work
- Interested in financial market, education fields and project management
- Personal Highlights:
 - Approved on: Insper (Economics – 11º place), IME (Engineering – 123º place – Modality: Reserva), UFSC (Mechanical Engineering – 4º place – SISU)

EDUCATION

Engenharia Mecânica 01/2018 – 12/2022
Universidade Federal de Santa Catarina Florianópolis, Brazil

PROFESSIONAL EXPERIENCES

Author 01/2020 – current
Quantum Educacional Florianópolis, Brazil

Production of physics content for Quantum Educacional.

Founder 01/2020 – current
Quantum Educacional Florianópolis, Brazil

Founder of Quantum, and organization that wants to make the online education more democratic.

Group Leader 08/2020 – current
PET-MA Florianópolis, Brazil

Managing member of a government funded program that aims to provide outstanding technical and managerial experience for twelve students from different engineering areas, through technological projects and academic research. Within it, students perform technical activities under the guidance of a PhD teacher, with emphasis on teamwork and self-development. All projects developed by the group seek to apply concepts learned in class, generating innovative solutions for its partners.

Main activities:

- Development and execution of the strategic planning based on OKRs and “Where to Play & How to Win” methodology;
- Responsible for aligning and engaging 12-student members to accomplish the organization goals;
- Coordination on members training in management, strategy, corporate culture, marketing and projects

Java, Python, MS Office

CERTIFICATES

08/2018 Academic Performance Certificate – UFSC

PRESENTATIONS

11/2018 **Gestão de projetos ágeis**
Seminário PET-MA

Subjects: Agile Manifest, Kanban, Scrum, XP and MVP.

04/2019 **Tempo é dinheiro**
Seminário PET-MA

Subjects: Investment options.

08/2019 **Tempo é dinheiro**
Black Taurus

Open presentation performed at UFSC.

10/2019 **A Luz e seus efeitos**
Seminário PET-MA

Subjects: Light effects

Project Manager

PET-MA

 01/2020 – current

 Florianópolis, Brazil

Responsible for the execution of the group's methodology, which is based in the Agile Manifest.

Recruitment Coordinator

PET-MA

 08/2019 – current

 Florianópolis, Brazil

Planning and execution of PET-MA's selective process, choosing new members among 5 engineering modalities.

Project Intern

PET-MA

 08/2018 – current

 Florianópolis, Brazil

Planning and execution of real projects in engineering.

Financial Manager

PET-MA

 01/2019 – 10/2019

 Florianópolis, Brazil

In charge of the financial resources of PET-MA.

Technical Visits

PET-MA

 01/2019 – 07/2019

 Florianópolis, Brazil

Planning and execution of a long trip for the group, so the students could meet some organizations and get to know better about their work fields. Organizations: Empiricus, Bain & Company, Eretz.bio, Avibras and Instituto Tecnológico de Aeronáutica.

OTHER EXPERIENCES

Member

UFSC Compete

 08/2018 – 04/2019

 Florianópolis, Brazil

UFSC Compete is an organization that supports the tech teams of UFSC, in competitions about engineering.

Mentor

CAME - Centro Acadêmico de Engenharia Mecânica

 03/2019 – 12/2019

 Florianópolis, Brazil

Helping the freshmen in their first semester of Mechanical Engineering.

Organizer

Black Taurus

 07/2019 – 12/2019

 Florianópolis, Brazil

Organizing events about finance
